

EXHIBIT Q

1 that -- that -- let me think here. How do I put
2 it.

3 The building offices, at least some of
4 them, might not have been heated. We can't be
5 certain.

6 You know, he's stating he knows the
7 apartments were heated off of this meter, all 39 of
8 the apartments. He's not certain which of the
9 stores were heated.

10 JUDGE CASEY: We're going to go off the record.

11 (Discussion off the record.)

12 JUDGE CASEY: We'll go back on the record.

13 While off the record, discussion was had
14 between the parties as to a stipulation.

15 Mr. McCarthy, you want to state for the
16 record what that stipulation is?

17 MR. MC CARTHY: The stipulation is that parties
18 have agreed that the building meter that Mr. Coyle
19 referred to in his report supplied the apartments
20 in the building, which we'll agree is -- were 39
21 apartments, but did not supply -- supply heat for
22 the 39 apartments and hot water, but it did not

1 supply heat for the offices in the building.

2 JUDGE CASEY: Is that your understanding,

3 Ms. Triplett?

4 MS. TRIPLETT: Yes.

5 THE WITNESS: Heat and hot water.

6 MR. MC CARTHY: For the --

7 JUDGE CASEY: Okay. Then that stipulation will

8 be made part of the record.

9 MR. MC CARTHY: And that we made that

10 stipulation in order to get -- allow Mr. Coyle to

11 leave.

12 JUDGE CASEY: Mr. Coyle, you're excused. Thank

13 you very much for your testimony today.

14 THE WITNESS: Thank you.

15 JUDGE CASEY: Mr. McCarthy, call -- your next

16 witness is?

17 MR. MC CARTHY: Okay. Peoples Gas calls

18 Jeffrey Schaffer.

19 JUDGE CASEY: Mr. Schaffer, you want to raise

20 your right hand and be sworn.

21 (Witness sworn.)
